

**Commanders Corner**

**March 2021**

**Greeting All,**

**Just can't keep up with time! We missed out on last month's coffee break due to the ice storm on 16<sup>th</sup> of February, our newly scheduled Third Tuesday Commanders Coffee. And now it is March. Weather permitting I am planning on having the Commander's Coffee Break on Tuesday the 16<sup>th</sup> of March from 0900 to 1100, all are welcome. If you have something you would like to share with the group, or bring in a new Vet to show around please do. Our last get together had 11 folks, including a couple ladies. John Hyland had a little presentation with an old rifle and his Uncle's WWI "48 Star" flag, or just come down and enjoy a fine cup of coffee made by your Commander with a donut or two!**

**We have a few things keeping us busy at the Post and Mike has a very busy schedule for the month. Post Meeting on the 19<sup>th</sup> at 7:00 PM, Lifeline Screening on the 23<sup>rd</sup> and another Red Cross Drive on the 27<sup>th</sup> plus various dance classes upstairs every week. The Trustees are planning some minor improvements that require some electrical work that is beyond Mike's purview. If we have any electricians out there that would be willing to volunteer a couple hours I'm sure he would appreciate an extra hand. Mike has all the material for the job and is ready to move forward. If you can help please give Mike or myself a call @ 671-9867 for Mike and 233-6531 for me.**

**The 2<sup>nd</sup> District Spring Newsletter is out, Post 35 has a nice write up thanks to our Adjutant, check it out. Next month we will be looking for some new candidates to run for officer positions for the upcoming year. If there are any of you out there that would like to run for office please let any officer know, All positions are open, Remember " New Faces = New Ideas". We have come a long way in the past four years, let's keep Post 35 Growing !!**

**Looking forward to seeing all at our monthly Commanders Coffee Break on Tuesday March 16<sup>th</sup> @ 0900 – 1100 at the Post. Bring a perspective new member.**

**Thank You. Guy Linscott/ Post 35 Commander**
